Our favourite texts

At Pavilion Preschool, books play an important role in bringing our curriculum to life and nurturing a lifelong love of reading. Our carefully selected collection reflects the interests, experiences and diverse world of our children. It includes traditional tales, much-loved children's classics, stories that celebrate diversity and different cultures, and books that promote emotional wellbeing and positive relationships.

Every book has been thoughtfully chosen to inspire curiosity, spark imagination, encourage discussion and support children's learning and development. These are books that are shared, enjoyed and celebrated throughout Pavilion, forming an important part of our everyday experiences.
