

Behaviour Management

Pavilion Clubs use effective behaviour management strategies to promote the welfare and enjoyment of children attending the Clubs. Working in partnership with parents, we aim to manage behaviour using clear, consistent and positive strategies, and with adults modelling positive behaviour. The Club rules are discussed regularly.

Whilst at Breakfast and/or After School club we expect children to:

- Use socially acceptable behaviour
- Comply with they Club rules, which are compiled by the children attending the club
- Respect one another, accepting differences of race, gender, ability, age and religion
- Develop their independence by maintaining self-discipline
- Choose and participate in a variety of activities
- Ask for help if needed
- Enjoy their time at Club

Encouraging positive behaviour

At Clubs positive behaviour is encouraged by:

- Staff acting as positive role models
- Praising appropriate behaviour
- Class Dojo rewards
- Informing parents about individual achievements
- Offering a variety of play opportunities to meet the needs of children attending Clubs

It is inevitable that as children develop and learn, there are times when they need support and guidance to understand when their behaviour is not acceptable. Staff at Clubs will try to determine the cause or triggers of the inappropriate behaviour to prevent the situation from recurring.

Dealing with inappropriate behaviour

- Challenging behaviour will be addressed in a calm, firm and positive manner
- In the first instance the child may be temporarily removed from the activity

- Staff will discuss why the behaviour displayed is deemed inappropriate
- Staff will the child an opportunity to explain their behaviour, to help prevent a recurrence
- Staff will encourage and facilitate mediation between children to try to resolve conflicts through discussion and negotiation
- If the inappropriate behaviour appears to be as a result of boredom, staff will consult with the child to find activities that more fully engage them
- Staff will consult with parents to formulate clear strategies for dealing with persistent inappropriate behaviour
- No staff member will ever threaten any punishment that could adversely affect a child's well-being (eg withdrawal of food or drink)

If after consultation with parents and the implementation of behaviour management strategies, a child continues to display inappropriate behaviour, the Club may decide to exclude the child in accordance with our Suspensions and Exclusions policy. The reasons and processes involved will be clearly explained to the child.

Physical intervention

Physical intervention will only be used as a last resort, when staff believe that action is necessary to prevent injury to the child or others, or to prevent significant damage to equipment or property. If a member of staff has to physically restrain a child, the manager will be notified and an incident record will be completed. The incident will be discussed with the parent or carer as soon as possible.

If staff are not confident about their ability to contain a situation, they should call the Manager or, in extreme circumstances, the Police.

All serious incidents will be recorded and kept on file. They may be used to build a pattern of behaviour, which may indicate an underlying cause. If a pattern of incidents indicates possible abuse, we will implement child protection procedures in accordance with our Safeguarding policy.

Corporal punishment

Corporal punishment or the threat of corporal punishment will never be used at Clubs.

We will take all reasonable steps to ensure that no child who attends are Cubs receives corporal punishment from any person who cares for or is in regular contact with the child, or from any other person on our premises.

This policy was adopted in February 2022

It will be reviewed annually or as required.
